

Posturepedic

Premium and Performance Collections

## SLEEP ESSENTIALS

---

With so many benefits gained from a quality night's sleep, there should be no compromise.

Research and medical evidence reveal how essential sleep is for our health and well-being. So ensuring the right bed is an important decision.

With over 65 years of history, you can trust Sealy Posturepedic to deliver a great night's sleep.

## SLEEP AND SUPPORT

---

To achieve a truly restful night's sleep your body needs to relax and recover. A sleep surface that provides a combination of pressure-relieving comfort and deep-down support will help your body rest.

Sealy Posturepedic has a heritage of orthopaedic design and are the industry leaders in sleep innovation. The Sealy Research & Development facility engineer mattresses with pressure-relieving materials that promote circulation to help minimise tossing and turning. Our patented spring technology is designed to provide the correct support your body needs.

# THE SEALY POSTUREPEDIC PREMIUM AND PERFORMANCE COLLECTIONS FEATURE THE LATEST PRODUCT INNOVATIONS

**Sense&Respond**  
TECHNOLOGY

## **ComfortCore®**

Targeted comfort designed to conform to the lower back and relieve pressure.

## **Spacer Breathable Gusset**

Innovative breathable fabric to improve ventilation and airflow throughout the night.

## **SRxII® Titanium Support System**

At the heart of every Sealy Posturepedic is a support system you can rely on. Patented technology senses your body weight and responds with the appropriate level of support.

## **SmarTex® Fabric**

Assists in regulating temperature to create a comfortable sleep environment.

## **UniCased® Edge Support**

Stabilises the perimeter of the mattress for edge-to-edge support.

Upgrade to UniCased® XT in the Sealy Posturepedic Premium range for enhanced edge support.

## **Designer Bed Base**

Disperses the stress placed on your mattress for greater performance and extended durability.
