POSTUREPEDIC
TECHNOLOGY

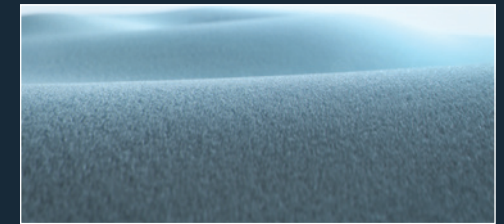

What
innovation
feels like

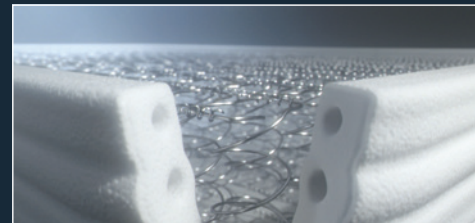

Titanium Align-Support® System
Intuitive coils sense and respond, aligning your body in its natural posture for deep rejuvenating sleep

Smart Fabrics
Intelligent SmartTex® fabric draws away moisture to cool and regulate your sleep climate

ComfortCore®
Enhanced centre layer adapts and conforms to your lower back for added comfort and pressure relief

Reinforced Edge
Four walls of UniCased® edge support increases the sleep surface

Endurance Base
Meticulously crafted, stress absorbing base for deeper, longer-lasting comfort

SMARTEX®

Regulates temperature to provide you with a more comfortable sleeping environment

PREMIUM SEALY FIBRE BLEND

Deluxe fibre that moulds to your body shape for superior comfort and conformance

DEEP CUSHIONING QUILT LAYER

Cushions and conforms to the body for a plusher, more comfortable feel

SUPERSOFT FOAM

A layer of supersoft foam creates a luxurious feel and long lasting comfort

PREMIUM FOAM

Premium foam contours to the body and provides a plush comfort feel

MEMORY FOAM COMFORTCORE®

A densified layer across the centre third of the mattress, designed to conform to the lower back
